### PLEASE NOTE:

- Roundup Energy & Motif are known to cause flocculation
- The above products are known to be physically compatible with Bulldog nevertheless due to variability in water supplies & temperature growers are advised to check compatibility using small initial quantities prior to filling of the spray tank with larger quantities
- Comply fully with recommendations of all products within the tank mix
- Always check all individual product labels for any possible restrictions before using & ensure that applications are made within the recommendations for each product.
- All mixes should be sprayed immediately & agitated throughout until the spray tank is empty.
- Check that all products to be used in tank mix are approved for use on the crops to be sprayed.
- <sup>1</sup>Physical compatibility backed by De Sangosse
